Mf. K. Kiefer—My Dear Sir: I have been afflicted for the last four years with derangement of the liver, causing dyspepsia, headache, nausea, and general derangement of the whole system. I have tried a great many perpendions, but found no relief until I tried one bottle of your Taraxine, which has permanently cared me. I also found it to all who suffer with derangement of the liver. Very truly yours,

The syndicate did not meet in New York on Monday of last week, as intended, on account of the illness at Syracuse, and con-sequent inability to attend, of its principal member. The meeting was held in the latter part of the week, the securities of directory accepted and subscriptions of stock received and speedy commencement of the work of construction determined upon. As we were going to press yesterday morning we received the following dispatch from President Pierce, which tells the gladdest story, in few words, that could fall on the ears of the friends of the enverprise:

"The building of our road is assured be-yord all doubt, and active work will begin early next month. I say this much not to convince the 'D ubting Tho nases' and enemies of the road, but to give assurance to its real friends and well-wishers that 'all is lovely.'
